EXCITING EVENTS WE HAVE IN STORE!

"COOKS GARAGE" opened in April 2017 (5th. of 5 family businesses)
It started out as a "Man Cave" Yeaaahhhright.... with a show room for
"REV LIMIT CUSTOMS" bbbuutt... Rrrrusty kept adding signs and
buildings to display them, so of course we had to **ADD** a kitchen
to cook lunch for Family and Employees. Then,
I turn around and sooooM'body rented the space for Special Events!
Like in early Spring we are home to the West Texas Round-Up
which is a pre '63 traditional Hot Rod Show.... I can't catch a "BRAKE"!
A few months later, I blink and ... Holy Busted Radiators
We Are Running A Full Restaurant and Bar! Jesus take the wheel....
Not sure how we ended up here , but it sure is **FUN!**
LIVE MUSIC, GOOD FOOD, With A COOL ATMOSPHERE
and we are Super Excited to share Our Collection of Cool Cars,
Vintage, Porcelain, and Neon Signs!
